

Texture is the feeling of the surface of an object. Some words which are used to describe texture are listed below - write down two things which have each texture.

| | | |
|--------|-------|-------|
| Rough | _____ | _____ |
| Smooth | _____ | _____ |
| Furry | _____ | _____ |
| Lumpy | _____ | _____ |
| Slimy | _____ | _____ |

Now draw the following textures in the boxes

a gravel road

a spiky plant

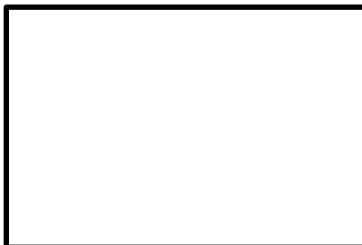

a fluffy towel

Other textures are shown in artworks by using patterns. Draw the following:

a brick wall

a woven basket

a tiled floor

Look at the following artworks and use at least two different words to describe the textures you can see.

| |
|---|
| Grassed Holden by Margaret Dodd |
| Wandjina by Alec ingelmanganu |
| Dr John Yu by Ah Xian |
| Vorticist By Deborah Klein |
